JC Global is a Major Payment Institution licensed by the Monetary Authority of Singapore (MAS) since 1996 specialising in cross-border money transfer, domestic money transfer and money-changing services. It has 8 branches conveniently located in shopping malls and MRT stations across Singapore. JC Global has been a trading partner with CYSGLOBALREMIT since 2010.

Last Monday, CYSGLOBALREMIT hosted a lunch for JC Global founder Mr. Colin Chan and his son Mr. Sean Chan, JC Global Business Development & Marketing Manager, at CYSGLOBALREMIT in-house café with other CYSGLOBALREMIT senior officers for networking and relationship building.

CYSGLOBALREMIT meals prepared and cooked by the in-house pantry team were served at lunch. Meaningful dialogue was exchanged amidst a relaxed and informal setting. The father-and-son team from JC Global was given an office tour right after the lunch and

presented with CYSGLOBALREMIT merchandises as souvenirs.

It was a wonderful opportunity for CYSGLOBALREMIT to connect with JC Global, share ideas, and enjoy each other's company in a positive and uplifting way. Definitely a cordial meet-up that was delightful and enjoyable and left a happy and satisfied feeling.
